Student Activity in a MERG Course

- #1. Read a chapter and/or an e-lecture.
- #2. Perform at least one activity in the week, using the agency as a "learning lab". The activities send you into the agency as a proactive learner, observing procedures and asking questions.
- #3. Post your observations about the activity.
- #4. Participate in a discussion question weekly with classmates and the facilitator.
- #5. Take occasional quizzes & a final exam.

Time to complete the course: 3 hrs weekly max.

Time on-line: Less than 1 hr weekly.

Work can be completed off-line, then pasted in on-line.

This course was more technically in depth than I expected. I found it to be very educational and got a good picture of how the insurance business is conducted and how many benefits the insurance company offers.
